Chief Pilot/Chief Safety Officer –

1. The Chief Pilot/Chief Safety Officer is responsible for all aspects of flight safety regarding club members and club aircraft.
2. The Chief Pilot as Chief Safety Officer is responsible for promoting safe flying practices; creating or coordinating flight safety awareness training for members to improve their flying skills.
3. The Chief Pilot as Chief Safety Officer is responsible for conducting all internal investigations of accidents or incidents involving club members or club aircraft.
4. The Chief Pilot as Chief Safety Officer will ensure all required and requested information is provided to the FAA on any accident or incident involving club members or club aircraft in a timely and accurate manner.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

Training Officer –

1. The Training Officer is responsible for managing the training, certification, and endorsements of members.
2. The Training Officer will maintain the roster of all qualifications, certifications, and endorsements, on all members in the central database.
3. The Training Officer will coordinate the efforts of all CFI/Is in the club to ensure members have access to quality training and can work on basic and advanced certifications as well as additional endorsements.
4. The Training Officer will inform the Secretary when a member completes a certification, completes a Flight Review, completes a check ride, or receives an endorsement. The Secretary will log it into the central database.

Maintenance Officer –

1. The Maintenance Officer is responsible for ensuring all club aircraft are maintained in an airworthy condition and that all necessary, required, and directed maintenance, modification, or upgrades are scheduled and performed to standard.
2. The Maintenance Officer is responsible for maintaining in a current and accurate manner all aircraft logbooks.
3. The Maintenance Officer will ensure all required information (AROW documents) are present and up to date in club aircraft.
4. The Maintenance Officer is the club's primary Point of Contact with the club's designated (AMT) and/or maintenance facility; in addition, the Maintenance Officer is the primary point of contact with any servicing organization or facility contracted to perform maintenance, modifications, and upgrades on club aircraft.
5. The Maintenance Officer is responsible for formulating, updating, and/or revising all maintenance Standing Operating Procedures (SOP) for all club aircraft.
6. The Maintenance Officer will provide a detailed maintenance status briefing on all club aircraft and equipment to all members, during each regularly scheduled, or when required, special meetings of the club.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

(ARTICLE III (Membership))

Section I -General

1. Any person of good character, and no criminal background and who has a true interest in aviation, shall be eligible for membership in the 51st Aero Squadron.
2. Membership may be applied for by the completion of a membership application and submission to the Membership Committee of the club.
3. A membership will be deemed to be a family membership extending to a spouse and children of the primary member. There will be no additional membership fees until children reach the age of 25 or a spouse is no longer married to a member. Family members will still be responsible for all usage fees and instruction fees incurred in exercising family membership privileges and in accordance with all other operating procedures.
4. When any applicant has been accepted by the club, the Secretary will execute a letter of acceptance within two weeks of the vote to the applicant (may be sent via email) informing them of their acceptance.
5. A member in good standing is any member who is not in arrears more than 10 days in the current month dues; and who is not more than 48 Hours in arrears on any usage charges or assessments.
6. An applicant, who has been rejected, may reapply after six months have elapsed since the date of the rejection vote by the membership.
7. When an applicant is informed of their acceptance, the Secretary will also inform the applicant that their membership becomes official upon receipt of their New Member Fee (Article VII (Fees), Section I (Membership Fees)).
8. No pilot or applicant is authorized to use any club aircraft until they have first been accepted for membership; paid their membership fee; and have successfully completed a check-ride with one of the club's CFI/II instructors.
9. Membership fees and any currently paid monthly dues are not refundable.
10. Members who are in arrears in monthly dues will have their scheduling and flight privileges with club aircraft suspended until all current and arrears dues have been paid in full.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

11. Members may resign from the club at any time. Members must notify the Secretary of their resignation for it to take effect. Until notification has occurred all dues and other fees will continue to accrue.
12. Members who have resigned may be reinstated within 10 calendar days at their request. For a reinstatement to be effective, the member must be a member in good standing (all dues and fees paid in full) at the time of their resignation. From the 11th day after resignation until the six-month anniversary of their resignation, a member cannot be reinstated. After the six-month anniversary a request for reinstatement requires a new application and the payment of a New Member fee (Article VII – Fees; Section 1 (New Member Fee)).
13. A member may request a leave of absence (LOA) due to any issue. Leaves of Absence can only be granted by the President and only for a period of up to six months; with one additional period of up to six months, upon request. After two consecutive Leave of Absence periods, if a member does not request reinstatement, they are automatically terminated with the loss of all club privileges.
14. During a Leave of Absence, a member is not authorized the use of club aircraft for any reason and will have their scheduling privileges suspended.
15. During a Leave of Absence, a member does not have to pay dues.
16. During a Leave of Absence members are welcome to attend club meetings, outings, and gatherings, but are not allowed a voice in meetings and official discussions, nor are they authorized to vote on any motion before the membership.
17. Members may be terminated for egregious and/or consistent violations of Flight Operations, Safety, or Standard Operating Procedures, or for consistent non-payment of dues beyond two months or rental fees beyond one month.
18. Termination of membership for nonpayment of dues, usage fees or assessments. Any Club member two months (60 days) in arrears of monthly dues, aircraft usage fees, or assessments shall be notified by certified mail at his/her last known address by the Club Secretary. If the past due monthly dues, aircraft usage fees, or assessments, are not paid in full within ten (10) days from the date of notification, his/her membership shall be brought to a vote by a meeting of the general membership where Article III (Membership), Section I (General), paragraph 20, will apply.
19. Any member subject to expulsion may be expelled by a two-thirds majority of members present and voting at a regularly scheduled or specially called meeting.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

20. The Secretary will provide 10 days' notice to any member subject to expulsion. The member will have the right to submit any statement of mitigation or extenuation; and has the right to speak to the members on their own behalf during the next scheduled or specially called meeting.
21. If a member is subsequently terminated, they will have sixty days in which to appeal in writing to the President. The President will present the appeal to the membership at the next regularly scheduled meeting for a reconsideration and vote.
22. The membership will vote on the appeal. It will require a three-fourths (3/4) majority vote of those members present and voting to overturn a termination.

(ARTICLE IV – Elections)

Section I – General

1. Election of Officers will occur every year during the last meeting of a calendar year. One Trustee and all four primary officer positions will be elected.

Section II – Terms of Office

1. Each elected Trustee will serve for three years. Each year one Trustee will end their term of service and a new Trustee will be elected to the vacant seat.
2. The terms of all four principle officers (President, Vice President, Secretary, and Treasurer) will be for a period of one year, beginning on 1 January of the calendar year following the election, and ending on the last calendar day of that year. There is no limit on the number of successive or total terms of service.
3. The positions of Chief Pilot/Chief Safety Officer; Training Officer; and Maintenance Officer will be filled by appointment of the President and may serve an unlimited number of terms.

Section III – Nomination and Election Process

1. A nomination committee will be formed by the President in the 10th month of each year. The Nomination Committee will consist of three members and will receive all nominations of each position to be balloted at the last meeting of the year (Trustee, President, Vice President, Secretary, and Treasurer).
2. Any member, in good standing, may nominate any other member, in good standing, for any or all elected positions.
3. Any member, in good standing, may self-nominate themselves, for any or all elected positions.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

4. In the event a member is nominated for more than one position, they will be dropped from all subsequent ballot positions upon election to a previous position.
5. The Nomination Committee will set a date for the close of nominations and communicate that through the Secretary to the membership. The Nomination Committee will then compose a slate of candidates for each position and forward that slate to the Secretary.
6. The Secretary will notify all members of the slate of candidates no later than the first day of the 11th month of the year; and will also state the actual date of elections in that notification.
7. Election of candidates shall be by a simple majority vote (50% +1) of those members present, qualified, and voting. A qualified voter is a member in good standing (All dues and fees are paid in full).
8. In the event any candidate does not receive a 50% +1 (majority) vote, a run-off ballot between the two highest vote-gainers in the initial ballot, will be conducted. This process will repeat until there is one candidate in each position with a 50% +1 majority.
9. Trustee and Officers will assume their responsibilities on the 1st of January in the immediately following year.

(ARTICLE V – (Committees)

Section I – General

1. There shall be several standing committees for the 51st Aero Squadron. Each committee will be composed of three members, selected by the President, and will serve at the pleasure of the President during the current term of office.
2. Standing Committees shall be: Membership Committee, Finance Committee and the Audit Committee.

Section II – Standing Committees

Audit Committee –

1. The Audit Committee will be composed of three members selected by the President. Neither the current Secretary nor Treasurer may serve on the Audit Committee during their term of service, nor on the Audit Committee reviewing the immediate past year if they held office. The Vice President will be the Chair of the Audit Committee.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

2. The Audit Committee will review and analyze the financial position and accounting procedures each year during the first month of the New Year for the immediate previous year and render a report and findings to the President, by the end of the first month, as to the verification of the accounting information, banking statements, and the financial condition of the club. The Audit Committee will also include any recommendations for the improvement in accounting practices for the club.
3. The Audit Committee, at the direction of the President, will present its findings at the first regularly scheduled meeting of the year to the membership.

Membership Committee –

1. The membership committee will be composed of three members selected by the President, and will serve during the current tenure of office.
2. The Membership Committee will receive and review all applications for membership in the 51st Aero Squadron and will conduct sufficient investigation to ensure an applicant meets the requirements for membership (Article III – Membership; Section I – General).
3. The Membership Committee either individually or collectively will interview the candidate to further determine suitability for membership.

Finance Committee –

1. The finance committee will be composed of three individuals, not including the Treasurer or Secretary. This committee will be responsible for assessing the 51st Aero Squadron's financial status throughout the year. The Finance Committee will create and maintain the club's financial plan.
2. The Finance Committee will also create an annual operating budget for the club and will track the clubs progress in meeting budget requirements.
3. The Finance Committee will be responsible for developing and recommending any financial actions involving club funds and liabilities. They will research and report on any loans required by the club for operations, maintenance, purchase of new equipment, and/or aircraft.
4. The Finance Committee will be responsible for developing other funding options as necessary to meeting maintenance and purchase requirements outside of an annual budget.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

Section III – AdHoc Committees

1. The President may deem it necessary to form Ad-Hoc committees focused on a special or particular issue, challenge, or opportunity.
2. Ad-Hoc Committees will be composed of three members, selected by the President, and will serve on the specially designated Ad-Hoc committee during the current term of office.
3. The President will provide a clear and unambiguous statement of the Task, Purpose, and Intent to the committee to focus their efforts. Ad-Hoc Committees will not interfere in the roles and responsibilities of the elected officer positions; appointed officer positions; or Standing Committees.
4. Ad-Hoc Committees may include, but are not limited to: Bylaws Revision Committee, Safety Investigation Committee, Assessment Exploratory Committee, Standard Operating Procedures Revision Committee, New Aircraft Search Committee, New Aircraft Acquisition Committee, and any others as may be required.

(Article VI – Meetings)

Section I – Regular Meetings

1. Regular meetings of the 51st Aero Squadron will be held on the Second Monday of every even numbered month (February, April, June, August, October, and December). A meeting may be suspended and/or rescheduled at the direction of the President, if the meeting day falls on a National Holiday or other like event.
2. Meetings will be held at a location designated by the President and communicated by the Secretary in a formal meeting notice.
3. Regularly scheduled meetings will begin at 6PM.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

Section II – Special Meetings

1. At any time that the President feels it necessary and/or appropriate, he may call a Special Meeting.
2. Special Meetings must be called for a clear and specific purpose, and be so communicated in a Special Meeting Notice.
3. A Special Meeting will have a minimum of 10 working days' notice to members.
4. A Special Meeting will require a quorum of at least 25 active members, in good standing, to conduct the business of the Special Meeting, or to make decisions binding on all the membership of the club.

(Article VII – Dues and Fees)

Section I – Membership Fee

1. Applicants for membership in the 51st Aero Squadron, who have had their application processed and have been accepted for membership, shall pay a New Member fee of \$1250, prior to membership becoming effective.

Section II – Dues

1. All active members are required to pay dues in the amount of \$100.00 per month, on the first of each month. Dues not received by the 10th calendar day of the month will cause a member to be delinquent and not a member in good standing. At this point their membership privileges may be suspended at the direction of the President.

Section III – Usage Fees

1. Members in good standing and authorized to use club aircraft will pay the amount approved and included in the Standing Operating Procedures for each particular aircraft per tachometer hour.
2. Payments will be made through the club's online (PayPal) system account as soon as practicable after a flight, but no later than 48 hours later.
3. Payments for usage fees not received within 30 days from the end of the flight will cause the member to not be in good standing and membership scheduling privileges to be suspended.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

Section IV – Assessments

1. There may be circumstances that require more funds than the club has available or has generated from New Member Fees or Dues. At such times and at the direction of the President only, a one-time assessment may be made of members to cover unanticipated or unforeseen costs.
2. Each assessment can only be for one specific purpose and may not be a repeating or cyclical assessment.
3. The President will motion during a Regularly scheduled or Special meeting for the assessment, detailing the need, the situation, and the per-member amount of the assessment.
4. The membership will vote to either accept or reject the motion. It will require a two-thirds (2/3) majority vote of members present, in good standing, to carry a motion to accept.
5. Upon acceptance it becomes a mandatory assessment on all members.
6. Members will be given a reasonable amount of time to pay the assessment to the Treasurer.
7. If a member fails to pay their assessment by the stated suspense date, they will be considered delinquent and not a member in good standing. Membership privileges may be suspended at the direction of the President.

(Article VIII – Finance)

1. The fiscal year for the 51st Aero Squadron shall be 1 January, through 31 December, annually.
2. No member may incur or authorize expenses, or otherwise financially obligate the club except as provided in these Bylaws, and only by the properly elected official(s).
3. The Treasurer is authorized to expend Club funds in payment for all normal fixed and recurring costs of the club and other operating expenses, not to exceed \$500.00 per month. Amounts in excess of \$500.00 per month must receive the authorization from the President.
4. The Maintenance Officer can commit only those funds agreed to by a vote of the membership on repairs, upgrades, and other recurring maintenance requirements.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

(Article IX – Liability)

Section I – General

1. The Club will carry Property Insurance on each aircraft owned by the club to the extent necessary to protect the Club's interest and property. In addition, the Club will carry certain amounts of Liability Insurance to cover the club and protect its interests.
2. Members are encouraged to also maintain "Aviation Renters" insurance to cover any expenses not covered by club insurance policies.

Section II – Rules

1. A Club Member, acting as Pilot In Command (PIC), or receiving dual instruction in club aircraft, and in which incurs an accident or incident, which in any way is associated with a violation of Federal Aviation Regulations (FAR), State or Federal Law, the Bylaws of the 51st Aero Squadron, or the Standard Operating Procedures (SOP) of the 51st Aero Squadron, shall pay the clubs insurance deductible and any amount of damages or liability over that amount not paid by the insurance in force at the time of the accident.
2. In accidents or incidents, which occur, and are not in violation of the aforementioned governing rules, the member will pay any costs associated with the accident over and above costs actually paid by the insurance carrier, less deductible.

(Article X – Amendment Process)

1. These Bylaws may be amended by a two-thirds (2/3) majority of all members present and in good standing, at a Regularly scheduled or Special meeting.
2. Recommendations for changes to the Bylaws may be submitted by any member, in good standing, no less than 30 days of the next schedule General Membership meeting.
3. If a recommendation for change to the Bylaws is forwarded, through the Secretary, to the President, the President will form a Bylaws Revision Committee to review the proposed change; provide the findings of the committee on the validity and the impact of the change; and will recommend either acceptance or rejection and their reasoning, of the proposed change.
4. After deliberations by the Bylaws Committee and within 10 days of the next regularly scheduled or special called meeting, the Secretary will send notice to all members, notifying them of the proposed change, the findings and recommendations with reasoning's of the Bylaws Revision Committee, and the date of the scheduled vote.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

5. At the scheduled voting meeting, the President will present the proposed change, read the Bylaw Revision Committee's findings, recommendations, and reasoning, and make a motion to consider.
6. Members will then discuss the issue, then a vote will be taken to either accept or reject the proposed change. Acceptance takes a two-thirds (2/3) majority of all members, present and in good standing.
7. All Bylaws revisions votes will be by roll-call vote of members present, and in good standing, by the Secretary and votes will be recorded.
8. For properly recommended changes to the Bylaws, if accepted, the change will become effective on the date and at the time specified by the President, upon approval by voting members in good standing. The date will be within 10 days of the vote taken by member, but at no time will an effective date be before the date of the vote taken by the members.

(Article XI – Miscellaneous)

Section I – Standard Operating Procedure (SOP)

1. The Club will have and maintain a Standard Operating Procedure (SOP) for all operational aspects of the club's equipment, systems, and procedures, not already covered elsewhere in these Bylaws.
2. The Chief Pilot is responsible for maintaining the 51st Aero Squadron's Standard Operating Procedures and for ensuring that every member is provided a copy either in hard copy or electronic format.
3. The Chief Pilot will ensure all members are informed of and receive all updates, changes, or revisions to the club's SOP.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

Section II – Flight Scheduling System

1. The 51st Aero Squadron uses an online scheduling program called “Flight Circle”(FC) which is available to all members in good standing. The Chairman of the Membership Committee is designated as the Administrator and each member of the Executive Leadership team is designated as Assistant Administrators, to approve new members, deactivate and suspend members, post aircraft information content, and aircraft availability status and to create and print reports.

(Article XII – Dissolution)

1. In the event of dissolution of the 51st Aero Squadron, LLC, the assets of the Club shall be sold. The sales price offered for the assets will be in accordance with the proper valuation of aircraft and must be voted on and approved by a majority of the active Club members in good standing. Proceeds from the sale and any other funds owned by the Club shall be used to settle all outstanding expenses, debts, obligations, and liabilities of the Club.
2. In the event the proceeds from the sale of Club assets and other Club funds are insufficient to cover the initial buy-in amount of all active members in good standing, each active member in good standing shall receive an amount equal to his/her pro-rata share of the remaining funds acquired from the sale of assets as well as funds owned by the Club.

(Article XIII – Purchase and Sale of Aircraft)

1. Purchase of Aircraft. The general membership of the club will decide by a majority vote of members present and in good standing at any general membership meeting to purchase additional aircraft. The motion and the vote will provide the general criteria for the purchase to include: Make, Model, Age, TBO hours remaining, total airframe hours and any recommended avionics or accessory packages and recommended use of the additional aircraft (i.e. Training only, General Fleet, etc.).
2. After an affirmative vote, the President will appoint an Aircraft search committee which will use the agreed upon criteria to locate suitable aircraft for purchase. All aircraft considered must fit into the club’s financial framework and require no outside co-signers.
3. Once the Aircraft search committee agree upon an aircraft to recommend for purchase, the President and/or his designated representative may make a purchase price offer on behalf of the Club and submit a REFUNDABLE deposit amount to the seller to hold the aircraft until a Special Meeting can be held.

51st Aero Squadron
Bylaws
(Revised 8 August 2022)

4. The aircraft search committee will recommend options of possible aircraft to purchase to the President, Vice President, Treasurer, Secretary (Officers). Officers present and in good standing will vote to approve or disapprove the purchase.
5. The President will then appoint an aircraft acquisition committee. The club Treasurer will be the chair of this committee, and the aircraft acquisition committee will execute the purchase, transportation, registration, and any other certification of the aircraft.
6. Sale of Aircraft. The general membership of the club will decide a majority vote of members present and in good standing at any general membership meeting to sell a specific aircraft.
7. After an affirmative vote, the President will appoint an aircraft sale committee. The aircraft sale committee will have a proper valuation performed on the aircraft and take steps to place the aircraft on the market. The Treasurer will be the chair of the aircraft sale committee and will take the necessary steps to properly sell and finalize any sale of any designated aircraft.
